In case you have to leave hotel room keeping baggages behind kindly ensure that whatever is to be left in the room must not be costly stuff. Some of the places are for adult shows, which shows are not recommended by us nor we want you to visit such shows as they are worst than normal adult shows that might be available in India. You must avoid visiting such shows at any cost. If someone claims to be **from CARVAAN TRAVELS** and touting you to visit such shows then you must understand that they are lying and avoid the same.

Specific Travel Tips To Thailand Destination:

- Never carry costly clothing's or jewellery with you to avoid its theft.
